## Summary

Hi, my name is Dendy Dharmawan. I am a Front-End Web Developer from Jakarta, Indonesia. Fall in love with websites, technology, design, and photography. Therefore I like to explain things with words, codes, and photos.

I have experience as a Front-end Web Developer in my internship at PT. Telekomunikasi Indonesia (Directorate Digital Business), was then assigned to a start-up company ChatAja Messenger. And have also partnered with Machine Vision Indonesia as a Front-end Web Developer. My job is to develop a product website with a focus on providing user-friendly interface pages. With the experience and skills that I have, I believe I can bring benefits to your company.
